The unveiling of this memorial appears in the Hexham Courant 21/8/1920. It does not say which church, but N13.02 refers to a tablet in St. Michael's Church of Hoptonwood stone, the Faculty for which was not obtained until after 1939-45. This plaque is of marble. Was this a fore-runner of N13.02, replaced after 1939-45?
